Then click on Resources along the top menu.

The screenshot shows the top of the website with the PAC Conquerors logo and the text 'Park Avenue Christian Academy'. Below the logo is a navigation menu with the following items: 'Class Home', 'Grade Book Report', 'Homework Assignments', 'Lesson Plan', 'Syllabus', 'Resources', and 'Photo Album'. The 'Resources' item is highlighted with a red box, and a blue arrow points down to it from above. To the left of the main content area is a sidebar with 'School Information', 'Student Information', and 'Family Information' sections. The main content area displays 'Arithmetic (01 ARM-A) - Class Home' with details for the class, student (Elijah Daly), teacher (Miss Unrue), and contact information (Phone/Ext and Email: unruede@pacacademy.org). A photo of Miss Unrue is also visible.

The Weekly Schedule for each week will be here.

This screenshot shows the 'Resources' page for the 'Arithmetic (01 ARM-A)' class. The page is divided into two main sections: 'Documents' and 'Websites'. Under the 'Documents' section, there is a document titled 'Weekly schedule 2.pdf' with a date of '08/11/2017'. A red box highlights the document title, and a blue arrow points to it from the right. The 'Websites' section is currently empty, displaying 'No websites found.' The sidebar and top navigation menu are the same as in the previous screenshot.
