

Miss Unrue's Discipline Policy

Why do we have rules and discipline policies? I believe it is because we want our children to develop into wise and loving people who value God and others. Luke 2:52 states, "and Jesus kept increasing in wisdom and stature, and in favor with God and men." Even as a twelve year old, Jesus grew up academically, physically, spiritually, and socially.

We are aiming to be Super this year, like Jesus. Here is how to be a Superhero:
