

Welcome to First Grade!

We look forward to getting to know you and your child this year. Thank you for the privilege of teaching your child.

First graders learn many new things and mature greatly during the course of the year. We spend the first few weeks reviewing, than things begin to move rapidly for the remainder of the year.

This folder is designed to answer questions and keep information assembled in one place. Please note that we are including Scripture Memory for the entire year in this folder instead of sending them quarterly.

If you have questions, feel free to send a note or email us. We will get back with a reply as soon as possible.

Thank you for your continued encouragement, cooperation and prayer support.
